## HR BELL PAINTING RAFFLE

### IN AID OF BOLIVIAN-GERMAN CHARITY ‘THE VILLAGE FOUNDATION’

Bolivia is one of the poorest nations in Latin America. In rural Bolivia many children in remote farming communities have to walk great distances to get to school every day, consequently many children drop out of education. The Village Foundation pays mothers who live in a village where there is a school to accommodate and care for these children during the school week, while at the weekend they return home to their families. The money donated benefits not just the children but also the impoverished host mothers, and through them the wider village economy.

‘Looking Upwards’ (framed, 18 x 24 cm, oil on canvas) is a painting by HR Bell inspired by 5 months in Bolivia. One raffle ticket costs 10 euros\*, please donate generously. The draw takes place on 1 September 2016.

In order to participate in the raffle please donate on our fundraising page by clicking and donating to the “need” ‘HR Bell painting raffle’:
